

CARTIERE DI TREVI

Borgo Trevi, 14 January 2009

With regard to the use of the chemical substance 4-methylbenzophenone (UV printing photo-starter) we hereby declare the following

- Said substance is not contained in the auxiliaries used in the production of our products.
- The quantities eventually contained in the raw material used (pulp paper) are variable and in any case reasonably under 0.1% of the mass of the finished product.
