

CARTIERE DI TREVÌ

With regard to 2006/122/CE DIRECTIVE relative to the restrictions prescribed in market access of certain dangerous substances and compounds (perfluorochthane sulphate PFOS) we hereby declare the following:

- Said substance is not contained in the auxiliaries used in the production of our products.
- The quantities eventually contained in the raw material used (pulping paper) are variable and in any case reasonably under 0.1% of the mass of the finished product
